

Radio Samui – Partnership Opportunities

Radio Samui is a smart tourism platform combining AI-powered radio broadcasting and real-time local discovery. Together with MySamui.life, we provide immersive and useful digital experiences for island visitors, businesses, and travel brands.

Why Partner With Us?

- Reach tourists before and during their stay via mobile-first platforms
- Align with a modern, music-driven, tech-forward brand
- Connect directly with active travelers and digital nomads on Koh Samui
- Promote local events, venues, and services through audio, visual, and social content

Available Partnership Formats

- Featured segment on Radio Samui (voice promos and event announcements)
- Branded playlists or AI weather sponsorship
- Visibility on MySamui.life (event, shop, or check-in promotions)
- Hotel & resort white-label radio experience
- Live DJ set broadcasting from your venue
- Marketplace integration for your products or services

Who We Work With

- Travel platforms & mobile apps
- Hotels, wellness retreats, coworking spaces
- DJs, nightlife & event brands
- Smart tourism projects and local government initiatives

Let's Talk

We are open to creative formats, pilot projects, and long-term partnerships.

Please contact us to discuss how we can collaborate.
